OUR BLOG

I should like to see any power of the world destroy this race, this small tribe of unimportant people, whose wars have all been fought and lost, whose structures have crumbled, literature is unread, music is unheard, and prayers are no more answered.

Go ahead, destroy Armenia. See if you can do it. Send them into the desert without bread or water. Burn their homes and churches. Then see if they will not laugh, sing, and pray again. **For when two of them meet anywhere in the world, see if they will not create a New Armenia.**

An aerial photograph of a city at dusk or dawn. The city lights are visible, and the sky is a deep blue. In the background, there are mountains. The overall tone is dark and moody.

Looking forward to our Collaboration!
